

Sesiunea *CoMind* „Train-The-Trainer” coordonată de profesorul Ole Boe în Academia Forțelor Aeriene „Henri Coandă”

CoMind „Train-the-Trainer” session, coordinated by professor Ole Boe in “Henri Coandă” Air Force Academy

“Henri Coandă” Air Force Academy in Braşov hosted on October 17-18 the “Train-the-Trainer” session, coordinated by professor Ole Boe, PhD, from the University of South-Eastern Norway, Drammen/ Police Academy, Oslo, Norway. Teaching and military personnel from “Henri Coandă” Air Force Academy, “Carol I” National Defense University, “Mircea cel Bătrân” Naval Academy, “Nicolae Bălcescu” Land Forces Academy and “Ferdinand I” Military Technical Academy participated in the session, but also students from the host university. Ole Boe is a former officer in the Norwegian army, PhD in psychology at the University of Gothenburg, professor of military leadership, with extensive educational and research experience, co-author of the well-known book “Krav Maga. Combat Mindset & Fighting Stress. How to Perform under Alarming and Stressful Conditions”, based on which he prepared the training session for military instructions.

The event was included in the calendar of the Combat Mindset Training for Romanian Military Students (CoMind) project, coordinated by “Henri Coandă” Air Force Academy, in partnership with the University of South-Eastern Norway, Drammen and Military Psychology Society Association, and financed by Norwegian/ SEE Grants.
